BROOKINGS COUNTY WEED & PEST SPRAY NOTIFICATION

Misty Moser Brookings County Weed & Pest Supervisor (605)696-8352

The Brookings County Weed and Pest Department will be spraying State, County, and Township road ditches this spring and summer starting in or around May. The County will be spraying products such as 2,4-D, Tordon 22K, and possibly mixtures of them. Depending on the product and rate there will be haying restrictions from zero to thirty days. If you are haying roadsides and want information regarding haying restrictions at that location or have other questions, Please call the Brookings County Weed and Pest Office for more information. Please have the legal description of the property ready so information is correct for the location requested.

Brookings County is an Affirmative Action/Equal Opportunity Employer and offers all benefits, services, education, and employment opportunities without regard for race, color, creed, religion, national origin, ancestry, citizenship, age, gender, or any other category protected by law.
